**SLOW DOWN!** Warmer weather means we are outside more, please help us keep your children safe by driving safely and slowly in our parking areas.

**The playground will be installed with in the next week!** Thanks again to all of those who donated to our "Funds For Fun" fundraiser, without you this would not have been possible.

**Tick season is here!** We will be diligently checking your children for ticks each afternoon, please be equally diligent at home.

**We are a nut free facility**, please help us keep all of our children safe by not sending your children with any nut products.

**Children are still forgetting snack!** Please make sure your child has a snack each day.

We have legally changed our name from Carlisle Extended Day to Carlisle Kids' House, thanks to all the parents who attended the meeting of the members and signed the petition.

## Now Registering for the 2008/2009 School Year

During the past few weeks you received registration information for the 2008/2009 school year. In it you will find the new rates along with a form requesting you to choose your child(ren)'s schedule for next year. We will be confirming your schedules with you in July and any changes needed to be made can be done so at this time.

By completing and returning this form you are guaranteeing your child(ren) a spot in next year's program. Registrations received before June 15<sup>th</sup> will receive a 7% discount off of your September tuition. Your next tuition for the 2008/2009 school year will not be due until October 1<sup>st</sup>.

## Sports Clinic

A special thank you to CKH teacher Matthew Shwom for providing a fantastic sports clinic on Friday afternoons-despite the wet weather. Many children have enjoyed this great addition to our programming and all parents of children participating have been very excited about it. There is still more room if your children would like to join!

## Summer Programs

Registration is well underway for summer programs, flyers are available in the entry-way

and on our website. Our gingerbread person in the entry-way has recently been dressed with this years' tee-shirt. Don't forget! We are open ALL summer with great programs for your children to enjoy. This year you can amortize your summer program payments over the next few months.

Several of you have told us you are going to register your children, but we have not received your paperwork. PLEASE LET US KNOW AS SOON AS POSSIBLE when your children will be attending our summer programs so that staffing arrangements can be made and minimum enrollment numbers can be met! Don't forget to pass our flyer onto friends and neighbors, the more the merrier! All children going into 1<sup>st</sup> grade through 7<sup>th</sup> grade are welcome!

## Annual Meeting

**\*\*\*Date Change: May 14<sup>th</sup>** This year's annual meeting will take place on Wednesday May 14<sup>th</sup> at 6:30pm at CKH. Both parent's and children are welcome to attend. This is a great opportunity to meet with other families at CKH and be updated regarding the financial and operational status of our programs. **This is also a chance to learn about and join our 2008/2009 Board of Director's.**
